Enhanced Medication Adherence

Please Note:

To be eligible for this program, the medication must:

- ✓ Be covered under your employer's prescription drug plan, and
- ✓ Have been filled at least once through the plan.

3 STEPS TO NO-COST MEDS

Prescription drug prices are rising in the U.S., but you may have a \$0 cost option. PremierPx helps eligible employees access prescription medications at no cost through a secure, employer-sponsored Personal Importation (PI) program. Medications are sourced from safe, licensed pharmacies in Canada, Australia, Great Britain, and New Zealand.

1

STEP 1

Call PremierPx at **(833) 529-3383** to enroll in the program. Have your current medication list and any medical or allergy questions ready.

2

STEP 2

Have your doctor send your prescription(s) to:

STEP 3

Stay informed!

The pharmacy will receive your order, and your prescription will be mailed directly to your home at **no cost to you**. First-time delivery takes 10–15 business days. You will receive an email notification with tracking information each time your prescription ships.

It's Safe. It's Simple. And it's completely FREE to you.
